Here are the answers to all your questions about the improveit 360 Go Sunset!
Read on to take advantage of all the RemodelerGo app has to offer:

WHEN WILL THE APP BE SUNSET?

The improveit 360 Go app will be sunset by the end of 2024.

WHO DOES THE SUNSET AFFECT?

The sunset affects current improveit 360 Go users as they will no longer have access to the mobile app and must download the RemodelerGo app to maintain access to the improveit 360 app from mobile devices and tablets.

HOW WILL THIS SUNSET OCCUR?

Your improveit 360 account Admin has already been made aware of this sunset and should be in the process of following our setup guide to transition your business over. You should expect to receive communications from your admin once your account is setup for your RemodelerGo app transition.

Once sunset, the old app will no longer be accessible so be sure to complete the RemodelerGo app download as soon as you are alerted by your admin that it is ready.

HOW DO I REGAIN ACCESS TO MY improveit 360 CRM ON MOBILE DEVICES?

Once your administrator has properly transitioned your business over to RemodelerGo, all you have to do is:

1. Download our new app RemodelerGo ([iOS](#) or [Android](#)).
2. Log in with your improveit 360 credentials
3. Start using it! It's designed just like the tools you already know.
